

## HEADER

The applicant is Tennessee Department of Safety and Homeland Security with a mailing address of 225 Ezell Pike, Nashville, TN 37217. They seek to obtain an air contaminant permit (Division identification number: 35-0106-01/970086P) for construction of an Emergency Generator at 563 Main Street West, Whiteville, TN 38075. This proposed operation would consist of a propane fired emergency generator used to provide emergency electrical power at a radio site. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. R. Powers is the assigned Division person.

For the Bolivar, TN "Bulletin-Times"--publish once on or before Thursday, April 16, 2015.
